the Beneficiary's laws do not prohibit it from receiving or directing payment of funds from the Trust, or (b) if the Beneficiary does not have the authority to receive or direct payment of funds from the Trust, then prior to requesting any funds from the Trust, the Beneficiary shall obtain full legal authority to receive and/or direct payments of such funds within two years of submitting this Certification Form; and (iv) if the Beneficiary does not have the authority to receive or direct payment of funds from the Trust and fails to demonstrate that it has obtained such legal authority within two years of submitting this Certification Form, it shall become an Excluded Entity under the Trust Agreement and its initial allocation shall be redistributed among the Beneficiaries pursuant to subparagraph 5.0.1 of the Trust Agreement.

No. 3228-1), all claims for injunctive relief to redress environmental injury caused by the 2.0 Liter Subject Vehicles and the 3.0 Liter Subject Vehicles (jointly, "Subject Vehicles"), whether based on the environmental or common law within its jurisdiction. This waiver is binding on all agencies, departments, offices, and divisions of the Beneficiary asserting, purporting to assert, or capable of asserting such claims. This waiver does not waive, and the Beneficiary expressly reserves, its rights, if any, to seek fines or penalties.

7. Publicly Available Information

The Beneficiary certifies that it will maintain and make publicly available all documentation and records: (i) submitted by it in support of each funding request; and (ii) supporting all expenditures of Trust Funds by the Beneficiary, each until the Termination Date of the Trust pursuant to Paragraph 6.8 of the Trust Agreement, unless the laws of the Beneficiary require a longer record retention period. Together herewith, the Beneficiary attaches an explanation of: (i) the procedures by which the records may be accessed, which shall be designed to support access and limit burden for the general public; (ii) for the Beneficiary Mitigation Plan required under Paragraph 4.1 of the Trust Agreement, the procedures by which public input will be solicited and considered; and (iii) a description of whether and the extent to which the certification in this Paragraph 7 is subject to the Beneficiary's applicable laws governing the publication of confidential business information and personally identifiable information.

8. Notice of Availability of Mitigation Action Funds

The Beneficiary certifies that, not later than 30 Days after being deemed a Beneficiary pursuant to the Trust Agreement, the Beneficiary will provide a copy of the Trust Agreement with Attachments to the U.S. Department of the Interior, the U.S. Department of Agriculture, and any other Federal agency that has custody, control or management of land within or contiguous to the territorial boundaries of the Beneficiary and has by then notified the Beneficiary of its interest hereunder, explaining that the Beneficiary may request Eligible Mitigation Action funds for use on lands within that Federal agency's custody, control or management (including, but not limited to, Clean Air Act Class I and II areas), and setting forth the procedures by which the Beneficiary will review, consider, and make a written determination upon each such request.

9. Registration of Subject Vehicles

(a) Shall not deny registration to any Subject Vehicle based solely on:

- ii. Emissions resulting from such a defeat device or AECD; or
- iii. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.

- ii. Emissions resulting from the modification (including, but not limited to, the anticipated emissions described in Appendix B to the Partial Consent Decree and Appendix B to the Second Partial Consent Decree); or
- iii. Other emissions-related vehicle characteristics that result from the modification; or

- iv. The availability of an Approved Emissions Modification, an Emissions Compliant Recall or the Buyback, Lease Termination, and Owner/Lessee Payment Program.
- (c) May identify Subject Vehicles as having been modified, or not modified, in accordance with the Approved Emissions Modification or the Emissions Compliant Recall on the basis of VIN-specific information provided to the Beneficiary by the Defendants.
- (d) Notwithstanding the foregoing, the Beneficiary may deny registration to any Subject Vehicle on the basis that the Subject Vehicle fails to meet EPA’s or the Beneficiary’s failure criteria for the onboard diagnostic (“OBD”) inspection; or on other grounds authorized or required under applicable federal regulations (including an approved State Implementation Plan) or under Section 209 or 177 of the Clean Air Act and not explicitly excluded in subparagraphs 9(a)-(b).

10. Reliance on Certification

The Beneficiary acknowledges that the Trustee is entitled to rely conclusively on, without further duty of inquiry, and shall be protected in relying upon, this Appendix D-3 Certification, or a subsequent communication from the Lead Agency designating new or additional authorized individuals, as setting forth the Lead Agency and the authorized individuals who may direct the Trustee with respect to all of the Beneficiary's rights and duties under the Trust Agreement. 7. Publicly Available Information

The Beneficiary certifies that it will maintain and make publicly available all documentation and records: (i) submitted by it in support of each funding request; and (ii) supporting all expenditures of Trust Funds by the Beneficiary, each until the Consent Decree Termination Date, unless the laws of the Beneficiary require a longer record retention period. Together herewith, the Beneficiary attaches an explanation of:

- (i): the procedures by which the records may be accessed, which shall be designed to support access and limit burden for the general public;

The State of Arizona will make all of the records described above publicly available through the website: <https://vwsettlement.az.gov>. Information will be updated no less than quarterly. Additionally, specific financial transaction information will be made available through the State of Arizona's existing transparency web site: <http://www.OpenBooks.az.gov>.

- (ii): for the Beneficiary Mitigation Plan required under Paragraph 4.1 of the Trust Agreement, the procedures by which public input will be solicited and considered; and

The State of Arizona has established the website, <https://vwsettlement.az.gov>, in order to compile a comprehensive list of stakeholders and to solicit input from these stakeholders concerning the Beneficiary Mitigation Plan.

- (iii): a description of whether and the extent to which the certification in this Paragraph 7 is subject to the Beneficiary's applicable laws governing the publication of confidential business information and personally identifiable information.

Yes, the certification in Paragraph 7 is subject to the State's applicable laws governing the publication of confidential business information and personally identifiable information.

Arizona's public records statute, A.R.S. §§ 39-101, *et seq.*, requires that "[p]ublic records and other matters in the custody of any officer shall be open to inspection by any person at all times during office hours." A.R.S. § 39-121. However, Arizona's public records statute does not mandate disclosure of every document held by a government agency or official. The "public right of inspection may [] be curtailed in the interest of 'confidentiality, privacy, or the best interests of the state.' If these interests outweigh the public's right of inspection, the State can properly refuse inspection." *Scottsdale Unified Sch. Dist. v. KPNX Broadcasting Co.*, 191 Ariz. 297, 300, 955 P.2d 534, 537 (Ariz. 1998). Thus, confidential business information and personally identifiable information

may be withheld in accordance with this standard, and other Arizona laws and regulations addressing confidentiality and privacy. The State reserves the right to seek indemnification from parties with whom it contracts, including (without limitation) for claims arising out of the exercise of confidentiality under the public records statute at the request of the contracting party.

The State may also withhold documents that are protected under privileges established in statute and case law. This includes, but is not limited to, attorney-client privilege, attorney work product privilege, executive privilege, deliberative process privilege, and legislative privilege.
